EXPEDITION APPAREL & GEAR

INTRODUCING OUR CRUISE COLLECTION

Our Cruise Collection features a selection of clothing and accessories emblazoned with Coral Expeditions logomark, as well as books relating to our expeditions. This collection has been selected for comfort and practicality. Cold weather gear, hats, and backpacks are available in our gift shop on board for purchase and use during expeditions.

From time to time we may release a limited commemorative collection to celebrate special voyages.

This collection was kindly modeled by members of our crew and office team, photographed on board *Coral Adventurer* in the beautiful surroundings of Trinity Inlet, Cairns.
